

## **Citybase Management Ltd** **Online Portal Service**

Dear Owner(s),

We are pleased to introduce you to our Online Portal.

Our target is to better communicate with you and most importantly save you time. We use a highly secure web portal which facilitates communications between homeowners, Strata Councils and our team. The online service allows you access to strata information, minutes of meetings, notices and much more.

To take advantage of this online service, owner(s) please register through this link <https://www.citybase.ca> directly. For security purpose, name (s) of registered owner(s), phone number(s) and email address have to match the record provided to the Strata Corporation. Only one registration is allowed per unit.

Should you have any issues in related to registering INFO-Tracker Owner Portal, please email to our technical support team at [info@citybase.ca](mailto:info@citybase.ca). We will do our best to resolve your issue in the shortest time possible.

We look forward to serving you online!
